

Action Day – January 8th 2011

On Saturday 8th, we met in the car park at 10 o'clock as usual, and split into two groups: one group continued digging out the Harris Garden and removed five bags of cuttings and rubbish. The other group went to Wheeler End Common and Footpath LE42, and continued clearing out the new stream bed, as seen in the picture (There were a number of others on the job, but these had the nicest wellies). Some other volunteers litter-picked in the centre of the village.
